Amplifying Cultural Connections through Digital Innovation Conference 2025

Whanake tahi ∞ *Better together*

Kai ora you are invited to

Rotorua Primary welcomes you to a two-day event designed for educators passionate about enhancing learning through the transformative use of technology and innovative practices. This conference explores the intersection of creativity, innovation, and culturally responsive teaching.

What to Expect:

- **Hands-On Sessions:** Our kaiako will lead practical, interactive sessions where you'll gain resources you can use in your classroom.
- **Inspiration Stations:** Experience our tamariki showcasing their mahi and sharing how iPad supports their learning. **School Tour:** Spend time in our classrooms to see first hand how technology enhances learning across our kura.
- **Guided Workshops:** Dive into sessions covering essential tools like Classroom, Classwork, and Keynote, and explore future skills including AI and coding.
- **Guest speakers:** We have some prominent local guests who will share how they leverage technology to enhance their area of expertise.

There will also be workshops and breakout sessions I Te Reo Māori.

This is your opportunity to connect, learn, and build a positive educational community through shared experiences, discussions, and collaboration. We look forward to welcoming you!

Who should attend

School Leaders, educators, digital learning leads and school support staff.

What to bring

We recommend having your iPad or Mac available so you can download resources that will support your teaching.

**Thursday 26th June -
Friday 27th June 2025**

You can come to both days or register for one day - depending on your schedule.

\$150 per person

This cost is for both days

Hands on workshops and guest speakers

9am - 3pm Thursday
9am - 2pm Friday
